PRIVACY POLICY

With reference to the new GDPR regulations which came into force on 25th May 2018, we would like to reassure all our members that Caithness Machinery Ring Member details are held for the purposes of the operation of the Caithness Machinery Ring only.

This will include member to member trading, invoicing, a record of previous work processed, direct mailing from CMR only and finally records to comply with required HMRC legislation.

This information has never been and will never be shared with or sold to third parties and is kept securely.

If you have any concerns or queries regarding the information we hold then please get in touch - we will be glad to help.
